

REMARKS

By the above amendment, the specification has been amended in the same manner as in the International Application.

The claims have been amended to delete the reference characters, and no estoppel should be deemed to be associated with this amendment. Claim 1 has also been amended to substantially include the limitations of claims 2 and 3.

The Abstract has been amended to delete the reference characters and to be in one paragraph.

If there should be any questions, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
Toshihiko OKAMOTO et al.
